President
of the Executive Board
Danil Fedorovkh

IEO OpenTrack
Project Lead
Germano T. Martinelli

Disclaimer: The IEO OpenTrack is a massive open online version of the International Economics Olympiad, available to anyone as a free opportunity to experience the way the Olympiad works and for outreach purposes in incentivizing more countries to join it. OpenTrack Contestants have not undergone selection in their respective National Olympiads (if existent in their country) and were under only basic proctoring during the rounds.
